26th August , 2022

Sub : Expression of interest to participate as a partner in the hackathon- Fusion 360 Design Challenge & Skill Development training programs under Naan Mudhalvan

Dear Sir/Madam,

This refers to your letter of engagement dated 3rd August , 2022 authorizing Autodesk India for the following engagement towards the "Naan Mudhalvan" Initiative, based on the evaluation of our proposal submitted to your committee:

- Hackathon - Fusion 360 Design Challenge
- Skill development training programs in Design & Manufacturing , Building Information Modeling

We hereby give our acceptance for partnering in the above mentioned programs & request that the association be formalized through a sponsorship agreement signed between TNSDC & Autodesk.

We look forward to a fruitful relationship.

Thanking you.

Yours sincerely,

Deepankar Bhattacharyya
