Edunet and TNSDC are referred to individually as a “**Party**” and collectively as “**Parties**”. Both Parties have reached the following intent.

#### ARTICLE 1: BACKGROUND AND PURPOSE

##### 1.1 TNSDC Background

TNSDC was formed with an objective to provide demand-based and industry-relevant skills to the youth to enhance their employability and transform the State into the skill hub of India. TNSDC is the nodal agency for the skill development related activities in the state and it aims to converge the activities of various stakeholders including industries, industrial associations, training partners, sector skill councils, assessment agencies apart from various other State and Central Government bodies. TNSDC strives to ensure placement-oriented quality skill training by empanelling private and Government training partners.

##### 1.2 Edunet Background

Edunet Foundation (EF) primarily focuses on youth skilling, innovation, and entrepreneurship. Since its inception, the organization has helped young people from different geographies in India to prepare for industry 4.0/5.0 jobs. EF has a national footprint, and it works with regulators, state technical universities, ITIs, engineering colleges and high schools around India.

With over 200,000 learners directly impacted through the EF initiatives in the last two years, the organization has gone from strength to strength with the support of a large team which consists of diverse technical experts, program managers and government/corporate relationship experts. The programs and initiatives undertaken by Edunet Foundation conform to the organization’s mission 2030 goals aimed at building a highly skilled workforce for the global IR 4.0 & 5.0 economy.

Edunet Foundation enjoys “**Special Consultative Status**” with the Economic and Social Council at the United Nations, which provides it access to UN headquarters in New York City, Paris, and Geneva. It also enables EF to organize and/or participate in UN events. Furthermore, the organization was certified as a “**Great Place To Work**”, by the Great Place To Work Institute, the global entity that evaluates workplaces on key criteria such as credibility, respect, fairness, pride, and camaraderie. Edunet Foundation also holds the “**Transparency Key**” Issued by GuideStar India.

Edunet Foundation is implementing partner for TechSaksham Program ([www.techsaksham.org](http://www.techsaksham.org)), an initiative supported by Microsoft and SAP to enable, empower and accelerate women learners towards technology careers.
