Subject: ASDC Proposal on Skill Based courses under "Naan Mudhalvan Scheme".

Dear Sir/Madam

We are happy to hear that TNSDC will soon roll out Skill Based Courses at Arts & Engineering College Across the State under the "**Naan Mudhalvan Scheme**".

As a sector skill council for the Automotive also the Lead Implementation Partner for the Apex Skill Development Centre for Automotive, we are Interested to Propose Curriculum Tentatively under Different Categories listed Below.

Category	Name of the Course	Duration
ITI	Automotive Additive Manufacturing	30 Hrs Each
	Electric Vehicle Service	
Diploma / Arts	Automotive Smart Manufacturing	60 Hrs each
	Electric Vehicle Service Lead	
Engineering	Automotive Manufacturing Data Analyst	90 Hrs each
	Automotive Dealership Data Analyst	
	Automotive Digital Manufacturing	
	Automotive Flex Fuel Design	
	Electronic Battery Management	

Request you to include ASDC as an Implementation partner in the List and We will share the detail Proposal once you have acknowledged the same.

With warm Regards,

For Automotive Skills Development Council

(Arindam Lahiri)
