Naan Mudhalvan:

- Our CSR Partners for Skilling

(Highlights : 0.61 million students trained in 2022-23)

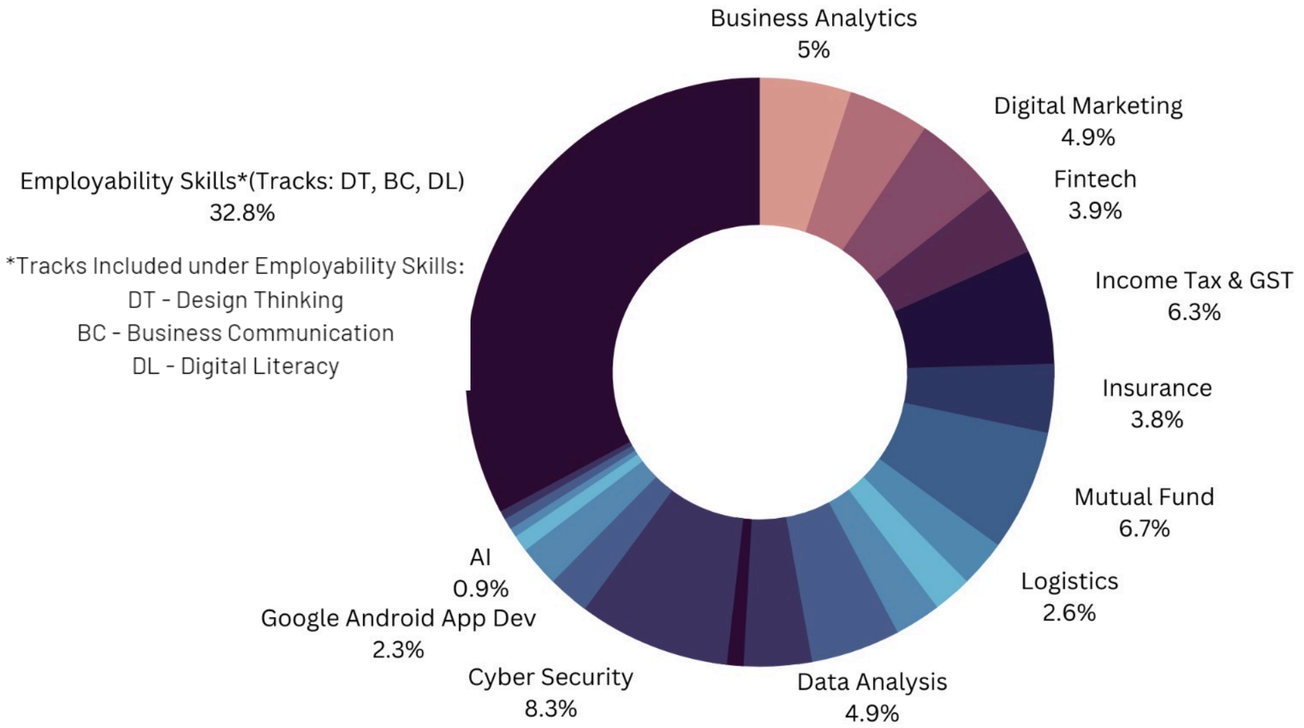
IBM, Microsoft, SAP, CEMCA, Cisco, edunet foundation, Infosys, aws, Google, Quest Alliance, Naandi, IZAPY

CSR Mobility – Value of ~ Rs. 215 Crore within a year

Naan Mudhalvan Skill Registry for Industries

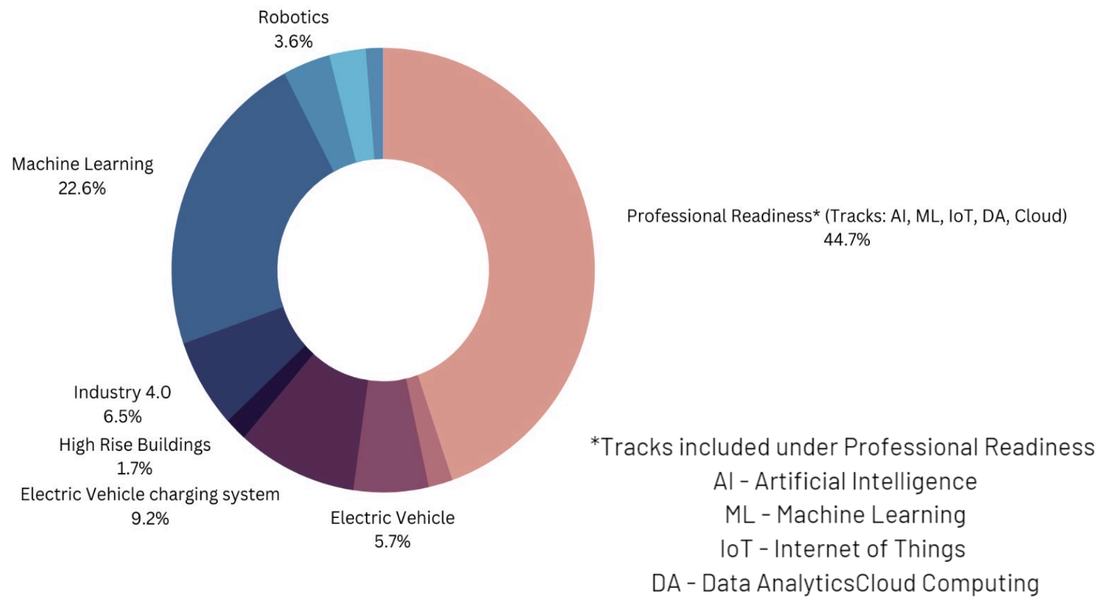
- District wise, college wise, sector wise students trained details can be accessed by the industries to match their needs and do focused placement drives.

Arts & Science



Placement % as on date : 85.61 %

Engineering



Placement % as on date : 76.36%

TAMIL NADU SKILL DEVELOPMENT CORPORATION

Hackathons – Internships – Industrial Visits.

- **IIT Madras Research Park is mentoring & offering internships** for NM students
- **IIT Madras LEAP program**, a learning through activity program is proposed to start from next semester for inculcating a mindset on reverse engineering
- **IIT Bombay Mapathon program** – Solving real time problems through creating maps
- **IIT Bombay Snippets stipend program** in collaboration with National virtual library of India, Indian Culture & IIT B
- **NM Architectural visualisation** students will participate in IIT Bombay Virtual walkthrough competition of IIT Bombay & Indian Culture
- **Virtual internship with Microsoft** for NM students with Industry mentoring & global certification
- Facilitating **industrial visits at Centres of Excellence** in collaboration with TANSAM, TANCAM, Siemens & Dassault

Overview of Apprenticeship

Apprenticeship	Applicability	Acts
▪ **Apprentice** is a person who is learning a trade from a skilled employer, having agreed to work for a fixed period of time. ▪ **Apprenticeship Training** consists of basic training and OJT (On-Job-Training) at workplace in the industry.	▪ **Mandatory** to undertake apprentices in a range from 2.5%-15% of its workforce if establishments having work force of 30 or more. ▪ **Optional** for establishments having a workforce between 4 – 29 ▪ **Not permitted** for establishment having 3 or less workforce	**National Apprenticeship Promotion Scheme (NAPS)** **(from 5th Std to ITI)** **Under** **Ministry of Skill Development and Entrepreneurship, Govt. of India** National Apprenticeship Training Scheme (NATS) **(Diploma, Degree and Engg.)** **under** **Ministry of Education. Govt. of India**

Apprenticeship - Benefit to Industries

Operational

- Apprentices can be engaged at any time in a year
- Industry can design and run Apprenticeships in customized courses
- Steady stream of skilled workforce at entry level
- Can engage apprentices in any of the working shifts

Commercial

- CSR benefits above 2.5% apprentices – use CSR funds for stipend.
- 50% of Stipend covered by Government
- Apprentice route less costly in longer term than regular hiring

Legal

- Statutory benefits like Bonus, PF, ESI etc. are not applicable
- Not obligatory to employ the apprentice after completion of training
- Selection of trainees is solely the prerogative of the employer
- Labour laws are not applicable to Apprentices

Apprenticeship Stipend Norms

NAPS (25% or Max Rs 1500 from Govt.)

3	Diploma	Technician Apprentice	Rs.8000/-
4	Sandwich Course Student of Polytechnic College (2 spells for 6 months)	Technician Apprentice (Sandwich)	Rs.7000/-

New Activity

Factory Skill Schools (FSS) Model	❖FSS is for Medium & Large Scale Industries and Industry Association that have the requisite infrastructure to conduct Skill Training within their establishment ❖Post Training, Trainee can be placed within that company/sister concerns or associated establishments. ❖This allows trainees to get exposed to the Industrial atmosphere and also promotes On Job Training (OJT)
Centre Of Excellence (CoE) Model	❖CoE are Leading Industries dealing with emerging technologies/equipment & high-end infrastructure ❖CoE can apply for any of the mentioned Job roles, provided they can place the candidates in the said job role. ❖CoE can quote rates for candidates equal to/more than the Common cost norms (Competitive bidding not applicable)
CSR Model	❖CSR component is introduced to recognize and formalize Skill training institutions in Tamil Nādu since TNSDC is the Apex Nodal agency for Skill development. ❖Under CSR Model, anyone can apply for Empanelment with training costs free and Assessment costs will be borne by TNSDC
Mobilisation cum Placement Partner	❖They will be responsible for mobilising the unskilled, skilled and unemployed workers and equip them against existing vacancies. Rs. 2000/- per candidate for the partner.

Interested Industries can apply the EOI : http://tnskill.tn.gov.in

Naan Mudhalvan - Best Practices

1. Academic flexibility with Skill based courses are being offered using "**Cafeteria Approach**" to students

2. Industry relevant skill training has been made as mandatory in each semester as part of the curriculum with **2/3 credits (Micro credentials)**

3. Training is being offered by global /national Industrial partners with project-based learning through industry use cases **(Joint Certification)**

4. Communication in basic **English and life skills** will boost the confidence of the students

5. NM Student Skill registry for connecting the Industry and the students for campus placement

6. Industry-Academia partnership to inculcate students with real-time training in their chosen field via live projects/internships/Hackathons

7. 21st century skills and Digital skills are made as part of the curriculum

8. Partnerships and collaboration with institutions for curriculum revision with Industries representatives and academic experts to peer review revised syllabi
