Chennai – 600032

Dear Madam,

This letter of engagement is to state the scope and terms of our engagement with Tamil Nadu Skill Development Corporation.

National Programme on Technology Enhanced Learning (NPTEL) is a project of MHRD initiated by seven Indian Institutes of Technology (Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee) along with the Indian Institute of Science, Bangalore in 2003, to provide quality education to anyone interested in learning.

NPTEL offers certification courses through the SWAYAM portal https://swayam.gov.in/. These courses are on topics relevant to students in all years of higher education along with basic core courses in sciences and humanities, with exposure to relevant tools and technologies. Learners may explore the above portal for more details.

These courses are offered twice a year. The enrolment to and learning from these courses involves no cost. An in-person, proctored certification exam (optional) will be conducted at Rs. 1000/- per course at an exam centre and a certificate is provided to those who pass the exam based on our criteria.

We hereby extend all required support for the Naan Mudhalvan initiative.

Thank you.

Sincerely

Warm Regards

(Vignesh Muthuvijayan)

Prof. Vignesh Muthuvijayan
