Respected Sir/Mam,

Warm Greetings from oracle!!

Oracle University is the premier provider of training for Oracle technologies and products. As one of the largest global corporate training organizations, we offer thousands of in class, onsite, web-based, and self-paced courses for learners around the world. Few of the interesting facts about Oracle.

Oracle offers a comprehensive and fully integrated stack of applications, middleware platform services, and engineered systems. This means that there are numerous technologies to learn and many courses to choose from! The more students learn and the more Oracle certifications they achieve - the more options they have, to work for any of the 430,000+ Oracle the customers-including top hundreds of the Fortune 100 - who have deployments across a wide variety of industries in more than 175 countries.

The State of Tamilnadu has taken the initiative to help in the upgradation of relevant skills via training programs in the existing /emerging sectors for the candidate/students & Faculty in the State of Tamilnadu through the Naan Mudlavan portal of Tamilnadu Skill Development Corporation (TNSDC) by providing mandate course.

Oracle has vast experience in training and by giving access to online educational content through Its platform , we would like to participate in this great initiative taken by TNSDC subject to mutually agreed terms and conditions.

Warm Regards
