Agenda Discussion

1. CSO and Sr. Associate -Services gave a presentation on 360 Degree feedback form. Some important points from the presentations,
 - ◆ Most of the students prefer offline and hybrid classes
 - ◆ Subtitles needed for the courses in regional language
 - ◆ Duration of the course can be extended
 - ◆ User manual will be needful for NM
 - ◆ To avoid miscommunication, Training calendar is good to have
 - ◆ Communication between SPOC and Faculty should improve
 - ◆ Since the SPOC and Principals are continuously changing everything should be systemized
 - ◆ Faculty Development Program should be increase minimum 5 days
 - ◆ Faculty should have some mentor support.
 - ◆ Bench marking is mandatory
2. DC instructed all the PMs to assign 3 persons every university to sort-out the issues on data collection and data clearing, need to assign one person from CDC.
3. PM?s can connect with RJD,ADs and DSTA
4. VP -Services took an in charge of PMs college visit plan
5. Discussion on selection of courses must have flexibility to the students and need to have an option of referring the course when the students need.
6. Discussed on collecting the details from the colleges on the availabilities of computers to support multimedia.
7. AVP-Media updates on the status of SPOC hand book for Arts and science colleges.
8. Discussion on commonwealth and Google scholarship
9. DC instructed media team to create more reach about NM through Youtube ads , Email blast.
10. Voot will visit us for demo this week
11. VP-MEAC shared his experience Physical workshop-Viksit Barat: Reaching the last milestone held at Bangalore.
12. From the workshop, we got few training partners link

13. Main purpose of the meeting was getting input from different states
14. REVATURE-Training and placement provider
